MONDAY MORNING, JAN. 5, 1874

the Demoralizing vice!

South Loague's difference was at its hight, and men, women and children were falling almost by scores every hour, our citizens then abroad, as well as those who remained at home, wowed that cleanliness and healthfuness were theresulted to be prime considerations, and, cost what it might, no effort must be spared to make Memphis a model in these respects. This was loss than ten weeks ago, and yet our any thortities and our citizens have faller into the old ruts of anotheric and our citizens have faller into the old ruts of anotheric and the control of the control of the Central railroad, of New Jersey, will be largely interested in the new organization, and it is hought the company will not be such that company will not be company will not be company will not be such that company will not be mought the company will not be called sporting mer. We company will not be company will not be called to the company will not be called to the bought the company will not be called to the bought the company will not be called to the bought the company will not be called to the bought the company will not be called to t one of whom, at least, should be a physician. This should be his first care, at any cost, as our citizens declared hundreds. Now is the time to clean up, and God knows there is abundant chance for it, for never since the Nicolson was laid down, have our highways burden the atmosphere until it is sickmediate repairs before they can again and practiced by two classes. out ere long is his chief difficulty. We look to him to solve it in time to meet the anxious demands of our people for clean streets and alleys, and protection

in epidemic form. ment of a majority of our citizens, and be regarded by the noble men and to make it just the thing to do. We arge these views upon the members of the Howard association, and hope they will see in them a way out of the problem what to do with the funds. But, whether concurred in or not, and whatever disposition is made of the hand.

Costa Rica for that purpose. The purchase of the Mohtijo was not completed by the Costa Rican government, and she will again return to this port. The forces garrisoning the forts of La Union, Salvador, and Amapala, in Honduras, are said to have had a fight, in which several were killed on both sides. The dispute is supposed to have arisin out of dispute is supposed to have a dispute in the dispute is supposed to have a dispute in the dispute in the dispute is supposed to have a dispute in the dispute in the dispute is disputed in the dispute in the disput some amount of money, the Howard's
